

DIY friendship bracelets

BFF Braided Bracelet

1 Grab 4 colors of string and knot them together. Use tape to secure the strings to a surface.

2 Start braiding! Grab the outside color on the right side and cross it into the middle. Grab the outside color from the left side and cross it into the middle. Keep repeating all the way down the bracelet.

3 Jazz up your bracelet with some BFF beads.

4 Tie a knot at the end of the strings and you're done!

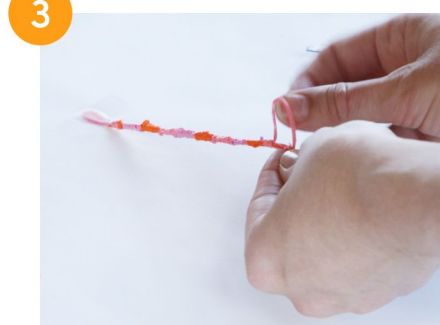

Knot Your Average Friendship Bracelet

1 Grab 3 colors of string. Fold them in half and knot them together. Use tape to secure the strings to a surface.

2 Grab one string and use it to tie a knot around the rest of the strings. Tie about 10 knots.

3 Switch colors and repeat the process. Keep switching colors and repeating all the way down the bracelet.

4 Finish the bracelet off by tying a knot.

You're ready to share your bracelets with your BFFs!
