Step 1: Cut out the square bunny face.
Fold the square diagonally both ways. Crease and unfold.

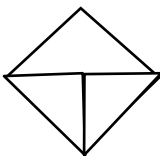

Step 2: Fold the square into a triangle.
Grab onto the top of the triangle and fold it
toward the bottom of the triangle.

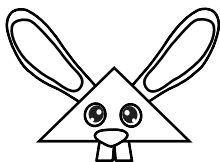

Step 3: Fold the left and right corners toward
the bottom center of the triangle.
Crease and unfold.

Step 4: Hold the right corner again, this time folding it toward
the top of the triangle and make a crease.
Do the same with the left corner. Tuck both tops inside the pocket.

Step 5: You now have the corner bookmark. If you want,
you can also tuck the white triangle inside the pocket.

Step 6: Cut out ears, teeth, eyes and nose and glue them
to the bunny bookmark. Now it's ready to hop onto any book page!
